Please read the enclosed contract carefully and check the correct box and method of payment you wish to use. Tuition payments begin July 1, 2011. This signed contract needs to be returned to the school office along with your first tuition payment by July 1, 2011 in order for your child to be registered for next fall. Tuition may be paid in full in July, or you may choose the 10 payment plan which will be set up as an automatic withdraw from you checking or savings account by filling out the enclosed form. Auto-withdraw will be effective for payments #2-10. Payment #1 will need to be by cash or check and turned in with your signed contract and signed ACH form. There is a \$100 service charge added to your account if you choose to pay monthly. You may choose the 5th or 20th of the month. If the 5th or 20th falls on the weekend, we will withdraw funds on the following Monday. Please be aware that there is a \$30 fee if your ACH does not go through for insufficient funds, stop payments or closed accounts.
