### Course Selection

It is expected that all students successfully complete two years of a foreign language. Specific exceptions to this policy, in the case of transfer students, require approval of the administration. It is mandatory that a student take a minimum of 6 classes per semester.

Newark Catholic offers Cross Registration for qualified students at OSU-N, COTC, Denison University, and with Ohio Dominican University. The C-TEC (Career-Technology Education Center of Licking County) is an option for Juniors and Seniors.
