

## Miss Browne's Lab Expectations

Have your lab book ready before you go into the lab.

No extra 'stuff' in the lab. You only need your lab book and a pen or pencil.

All lab book entries must be written in blue or black pen.

Follow the lab book order in your responses.

Write in full sentences.

Follow lab dress code. Long hair must be pulled back!

Always wear your goggles.

Wash your lab 'dishes' before and after use.

Wipe down your lab bench after cleaning up.

Push your stools in when you leave.

Have Miss Browne Check Your Lab Area BEFORE You Leave The Lab.

Ask Questions! It is better to ask and be right than guess and be wrong!
