House Updates, Point Standings -

Newark Catholic has instituted a good-natured competition through its house system. The houses compete for points to win the prized trophy at the end of the year. Each year new leaders rise to lead their houses to victory.

The Mediterranean house captain, Brealyn, stated, "I wanted to lead my house because I believed that I could make a difference in our school community and help make lasting house memories." At the end of the school year the school hosts the House Olympics, which Hal Gillespie, a House Red captain, said, "(last year) House Olympic day was my favorite."

Overall this system helps build strong, lasting friendships between grades and houses, while emphasizing service.

Key Club International is a student-led organization rooted in community and services. They strive to serve their community and raise money for charities. Recently Mrs. Yonker was thrust into the role of faculty advisor of Key Club. She said, "Leading the key club has changed things for me as a teacher because I get to see all grades in the school come together."

This is a learning experience for her; she stated "We hope to add more members and to do further reaching projects in the future." We can't wait to see the wonderful things the key club will achieve this year.

Mrs. Snider - Joins NC Faculty

This year, we have a new addition to our teaching staff. We are very excited to welcome Mrs. Snider into our Newark Catholic family!

Mrs. Snider decided to become an art teacher because she loves making art and working with kids - It's the best of both worlds! She has always had a passion for art and was inspired by her high school art teacher. Before she taught at Newark Catholic, Mrs. Snider taught for 4 years in West Virginia and South Carolina.

She says, "One of my favorite parts of teaching is seeing students feel proud of something they created. It is so heartwarming to see their excitement and confidence when they realize what they are capable of."

Her favorite classes to teach are painting and ceramics. "I love how fun, creative, and interactive they are, and there are so many opportunities for students to make something they can truly be proud of."

Battle of the Books -

Battle of the Books is getting ready for a new year. In the club, you have to read books from a list and during the competition, your knowledge of those books will be tested.

As a Theology and Latin teacher, Mr. Roach's leadership gives students the ability to come together outside of class and participate in a club combining academics with competition.

Each member brings different strengths to the team, like remembering small details or major events and characters. Finishing third place last year shows that Newark Catholic has already been competitive and this year's team can use it as motivation to aim even higher.

A Word from A Football Captain -

This year the football team has turned around its 2025 record, astonishing fans and proving themselves a worthy opponent.

Some attribute this to the wonderful new coaching staff, as team captain Landon Cox stated, "The new coaching staff has been a game changer; the culture has been brought back to how it used to be, and we are putting NC football back on the map. They bring the energy every day and have made us better players and men off the field."

The season so far has been astounding. Team captain Landon said, "The season has been good so far; we have faced some challenges, but we are working on staying on course and playing 11 as 1." The expectation for the rest of the season is high; we can't wait to see how these boys perform.

*O GLORIOUS SAINT JOHN BOSCO, WHO IN ORDER TO LEAD
YOUNG PEOPLE TO THE FEET OF THE DIVINE MASTER AND TO
MOULD THEM IN THE LIGHT OF FAITH AND CHRISTIAN
MORALITY DIDST HEROICALLY SACRIFICE THYSELF TO THE
VERY END OF THY LIFE AND DIDST SET UP A PROPER
RELIGIOUS INSTITUTE DESTINED TO ENDURE AND TO BRING
TO THE FARTHEST BOUNDARIES OF THE EARTH THY
GLORIOUS WORK, OBTAIN ALSO FOR US FROM OUR LORD A
HOLY LOVE FOR YOUNG PEOPLE WHO ARE EXPOSED TO SO
MANY SEDUCTIONS IN ORDER THAT WE MAY GENEROUSLY
SPEND OURSELVES IN SUPPORTING THEM AGAINST THE
SNARES OF THE DEVIL, IN KEEPING THEM SAFE FROM THE
DANGERS OF THE WORLD, AND IN GUIDING THEM, PURE AND
HOLY, IN THE PATH THAT LEADS TO GOD.*
