2024-2025

The Newark Catholic Athletic Association (NCAA) is a group of dedicated and hard-working parents, alumni, coaches, teachers, and community members, whose mission is to help Newark Catholic High School maintain the unique position of having a self-supported athletic program (not funded by tuition). The NCAA is the majority funder of Newark Catholic athletics, raising money for everything from coaches' salaries to uniforms and equipment to field and court maintenance.

NCAA members are proud supporters of our student-athletes and are committed to keeping our tradition of excellence in athletics, leading to a well-rounded student body at our school. We need your support to continue the winning tradition at NC. By becoming (or continuing to be) a sponsor of NC Athletics, your business will get exposure to all of our fans in the stadium, gymnasium, baseball and softball fields, sponsorship nights, in the sports programs, and more!

Please consider supporting us through any of the sponsorship opportunities included. Let's Go Green!
