THE CATHOLIC FOUNDATION

As a part of the updates to our campus and facilities at Newark Catholic High School we recently completed Phase II of our **School Campus Security Camera Expansion**.

This project was a continuation of the project we started in Fall of 2019. Additional security cameras on the exterior and interior of the school premises were installed. With the installation of 25 more cameras, we are able to monitor even more of our school campus. We are Blessed to have received a \$5,000 grant from **The Catholic Foundation** to use toward the cost of this outstanding improvement.

The **Catholic Foundation's mission** is to inspire giving and assist donors to provide for the long-term needs of the 23-county Diocese of **Columbus**. The Foundation is one of the oldest and largest **Catholic foundations** in the country, distributing over \$100 million throughout the diocese since 1985.

iPads for the Freshman class will be distributed on the first day of school.

Mrs. Claudia Wing will be joining our staff this Fall as our school nurse. We welcome and are truly blessed with her gifts and talents.

The theological virtues of Faith, Hope and Love are at the heart of everything we do at Newark Catholic High School. For that reason, we have chosen our theme for this year as *Teaching the Faith, Trusting in Hope, Leading with Love*.

Teaching the Faith: It is our responsibility as teachers and ministers, as parents and coaches, to educate the young men and women of Newark Catholic in the faith of Jesus Christ and His Church. It is through the knowledge of the faith that we can come to give ourselves fully in service to God. Every subject, every club, every sport is an opportunity to give witness to and spread the good news of Jesus Christ.

Trusting in Hope: God is in control. For that reason, we can trust in the fact that we are made for more than this world can offer. In Him we find our joy, our peace. It is that joy and peace in our hearts that should inspire every member of the Newark Catholic community to bring about God's kingdom here on earth, no matter the circumstances.

Leading with Love: St. Thomas Aquinas said that love is "willing the good of the other." Christ demonstrated this in His death on the Cross. In willing the good of the other, we see sacrificial love. That is how we are called to lead, now and into the future.

May our leadership reflect the compassion, patience and understanding that our loving God has for us every moment of our lives.
