

Dear God, Thank You that You make all things new. Thank You for all that You've allowed into our lives this past year, the good along with the hard things, which have reminded us how much we need You and rely on Your presence filling us every single day. We pray for Your Spirit to lead us each step of this New Year.

Dear Newark Catholic Families,

May God Bless you with an amazing New Year!

First and foremost, thank you for all you have done to keep our students and faculty safe throughout the first semester. You all have taken the safety of our community seriously. We ask that you continue to be vigilant in checking your child's temperature and watching for symptoms of the virus.

We are writing to you today in regards to our decision to return NC students to the classroom on Monday, January 4. Although you may have heard that Gov. DeWine recommended that schools delay reopening until Jan. 11, we consulted with the Licking County Health Department and other school administrators in Licking County, and have decided we will adhere to our original return to class on Monday, January 4.

As we return to school this coming week, please be cautious of exposures to individuals outside of your immediate family. If you have any questions, please don't hesitate to contact me via email at bhill@newarkcatholic.org

Also, a quick reminder about the travel policy for diocesan schools, you are required to self-quarantine for 14 days if you traveled to a hot spot or high-risk state as defined by the CDC and/or the State of Ohio. Please consult the State of Ohio website at <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/families-and-individuals/covid-19-travel-advisory/covid-19-travel-advisory> to identify those hot spot areas.

Please stay healthy and enjoy your day!
