COVID-19 CORONAVIRUS

Answering Parishioner concerns

RESEARCH

HIERARCHY OF VACCINES

BEST: Those developed using no foetal cell lines
NEXT BEST: Those that used cell lines during testing and research but not in production of vaccine itself
LEAST: Those using cell lines throughout process up to and including vaccine production.

COOPERATION WITH EVIL

LEVELS FROM FORMAL TO REMOTE

Producers of vaccines have most culpability (Formal)
Distributors have some culpability (Formal or Material)
Those taking the vaccine have very little (remote)

CURRENT VACCINES APPROVED

ONLY TWO PFIZER AND MODERNA

Neither uses cell lines in manufacture of vaccine, but both used pre-existing embryonic stem cell lines from 1970's and 80's to confirm their research. This places them in NEXT BEST category above.

USE OF THESE VACCINES

FOR THE GENERAL PUBLIC AMOUNTS TO REMOTE COOPERATION THAT IS ACCEPTABLE BECAUSE OF THE GREAT DANGER TO PERSONAL OR PUBLIC HEALTH

USE OF OTHER VACCINES DEVELOPED LATER WOULD NEED TO BE EVALUATED ON THEIR OWN MERITS

Congregation for the Doctrine of the Faith: DIGNATUS PERSONAE 35:3
"Grave reasons may be morally proportionate to justify the use of such "biological material". Thus, for example, danger to the health of children could permit parents to use a vaccine which was developed using cell lines of illicit origin, while keeping in mind that everyone has the duty to make known their disagreement and to ask that their healthcare system make other types of vaccines available. Moreover, in organizations where cell lines of illicit origin are being utilized, the responsibility of those who make the decision to use them is not the same as that of those who have no voice in such a decision.

ATHLETIC DEPARTMENT

Our student-athletes develop their talents in a program rich in tradition and

championships. NC athletics enrich our students' school experience and provide a lifetime of memories.

Ticket Reminder Due to Covid 19 restrictions, all events at Newark Catholic will have very limited capacity. Tickets are issued to the families of the athletes/coaches on roster and no other tickets will be issued at this time. This policy will be revisited in January and is subject to change based on where we are with the Covid situation.

SCHOOL ADVISORY BOARD

The mission of the Newark Catholic High School Advisory Board is to promote and support a faith-based Catholic school environment that celebrates each child's personal, spiritual, academic, and social development.

Meet Sandi Dry

We chose a Catholic education for Anthony because we wanted him to have a balanced academic curriculum that integrates faith, culture, life, and service to the community. We believe this strong foundation grounded in the knowledge of morals, character, and love of God will serve him well beyond his time at Newark Catholic and into his adult life. Small class size and dedicated teachers support a positive learning environment and have helped him grow and develop spiritually and socially as well as academically. What a blessing it is knowing he is surrounded by such caring mentors both inside and outside the classroom.

It is an honor for me to represent my lifelong parish, Our Lady of Mt. Carmel on the Advisory Board and I welcome your input/inquires. You may reach me at 740-975-4866 or sdry88@icloud.com

Sandi's superpower is ORGANIZATION.
